## REMARKS.

---

Again we are closing the annual accounts of our schools, and again we are to answer whether or not, it has been a successful year. We refer you to our increased number of weeks, our better average per cent of attendance, and the excellent work of our faithful, experienced teachers.

Were there no murmurs of dissatisfaction, and no breathings of adverse criticism, in reference to the management of our schools, we should feel that the millenium had indeed come. The attendance of scholars is still less than it ought to be, without, it seems to us, sufficient reason.

Our schools are for the education of our children, but if allowed to absent themselves, no benefit can be derived,—hence it becomes the duty of every parent and guardian, to see that their children are present every session.

It is also deemed a duty, all parents owe their children, never to let neighborhood jealousies and personal prejudices, such as are liable to exist in any community, to exercise their disturbing influence in school.

When all will co-operate to make our schools successful—our children will have more to show in education, for the money expended in our public schools.

While it is the aim of the School Board to secure the best teacher our means will command, still mistakes are sometimes made,—however if all interested would unite with the teacher and Board for good results,—profit would usually be forthcoming.

Since criticisms like these usually apply to the few, and not to the many we would, in justice to the majority, say that we fully appreciate the support accorded our schools the past year.

We recommend that the sum to be raised for

High school tuition,	\$50 00
“ “ fags,	5 00
books and supplies,	<u>50 00</u>

\$105 00

It is hoped that next year our per cent of attendance may still be a little higher—as there has been a gain each year for the past five years.

For year 1907,	81 00
“ “ 1908,	<u>86 54</u>

For year 1909,	89 94
“ “ 1910,	90 66
“ “ 1911,	90 92

Again we thank you for past support and ask for a continued interest during the coming year.

Respectfully submitted,

EMMA S. STOWELL,	} School Board,
CARRIE E. REED,	
SPEDIE A. NEWTON,	
	of
	Unity.

I the undersigned, auditor of the Unity school district, hereby certify that I have examined the accounts of the School Board, School Treasurer, and Trustee of the Keyes Fund, and find them correctly cast and properly vouched.

EVA B. GOULD, Auditor.
